

Join us at our science themed fun days this Half Term! Each day is run by highly trained Fun Scientists with enhanced DBS checks and first aid training and every day is jam packed with experiments, games, crafts and explosions.

Each day runs from **10 am – 3pm** at the Ascension Church Hall, Bath, BA2 1AG and we also offer a stay and play service from **9am – 10am** and **3pm – 5pm**. Visit www.fun-science.org.uk for more info! All days are recommended for children aged 4-10.

Tuesday 27th May – Fantastic Physics

On this day we will be getting to grips with physics from buildings to boats and energy to electricity. We will be launching rockets and setting bubbles on fire before children make their own bouncy balls, design and build a tower, make and test self-propelled ships and much more.

Thursday 29th May: Baffling Biology

This day is all about DNA and genetics. We will be extracting visible DNA from onions, making a DNA key ring, building an edible DNA model and making our own genetic trees. Plus, we will be learning how to design experiments and get results as we create our own biological study!

Friday 30th May: Crazy Chemistry

See how chemistry is involved in everyday foods and items as we churn butter, mix mayonnaise, make milk sculptures, and get to grips with the sweet science of candyfloss and popcorn! We will also be making slime to take home and mixing chemical to create some mini explosions.

Prices (10 am – 3pm) – 1 day - £15, 2 days - £28, 3 days - £40

Stay and Play (9am – 10am / 3pm – 5pm) £2.50 per child per hour. During these supervised play times, children will have access to science toys, games, books and activities plus we have a walled garden area where children can run and play together.

More information about each day as well our stay and play service can be found at www.fun-science.org.uk.

Fun Day Application Form

Child's name _____

Days you are applying for (Please circle)

Tuesday

Thursday

Friday

Do you require 'stay and play' on any of these days? Please give details

Child's age _____

Name of Parent/Guardian _____

Contact number of Parent/Guardian _____

Email address of Parent/Guardian

Does your child have any medical needs of which we need to be aware of?

Yes/No. If yes please give details

During the day we would like to take photos to be placed on our website. No names or personal details will be included with the photos. If you would rather your child did not appear in these, no photos will be taken of them.

I am/am not happy for photos to be taken including my child/children.

- I have enclosed payment (cheques made payable to 'Fun Science')
- I have made a bank transfer to Fun Science: Account number: 73406407
Sort code: 20 99 40 with the reference

I consent to my child taking part in this activity

Signed _____ (Parent/Guardian)

Please return forms to Fun Science, 19 Alexandra Road, Bath, BA2 4PW.

Applications will be confirmed by email within a week of receipt

If you have any questions please email info@fun-science.org.uk or call 07708214840.
